With careful thought as to the future demands of the firm's patrons the resent Main atreet site was purchased and the erection of the new home was started. Considerable excavation was

AT ROTARY FINAL BREAKFAST The fall conclave of the New England Rotary club which opened Monday at the Griswold, Easten Point, came to an end Thursday when the 1,000 or more Rotarians took their departure and started on their homeward journey.

departure and started on their ward journey.

Thursday morning's breakfast which was in charge of the Providence club, terminated the festivities. The Providence club paraded in front of the light Thursday morning attired as Narragansett Indians.

Pep in Social Evening. The meeting of Wednesday night was in charge of the New London Rotarians and was filled with "pep" from the time that the New London club marched into the dining hall to the time when the darkening of the dining hall meant that the All Rotary Minstrel was ready to begin.

to begin.

To start things going in the dining hall "Jim" Hammond of New London lined up the 100 waitresses and bus boys and while the orchestra played Smiles the girls and young men headed by "Jim" marched up and down the dining hall, all Rotarians standing and cheering as they passed by.

Another novel feature was the Hartford club's presentation of a bouquet to Jim Sullivan, president of the New London club. Each man with a nankin

in the windows are of three different kinds of wood while the wall decora-tions are in two tone effect. The elec-trical fixtures in the show windows are Jim Sullivan, president of the New London club. Each man with a napkin tucked into his belt, looked like regular old time bartenders, and as they marched they sang How Dry I Am.

A feature introduced by the Springfield Rotarians was a song by "Will's Taft," one of the boy entertainers of the Boys' club of the Springfield growing of the wall bracket type with Japanese gold finish.

There are five talking machine booth

at the rear of the main floor and ad-joining is an office, 12x12 feet. Leading from the center of the main floor is a Taff," one of the boy entertainers of the Boys' club of the Springfield group. Willie from his stand a-top of the plano pleasingly rendered April Showers.

Throughout the dinner there were cheers by members of the New England clubs at the conclave, club songs, and group singing led by the high speed song leade rof the Whale City club.

An outburst of applause with many cheers followed. Jim Hammond's announcement that Rotarian Charles A. Templeton of the Waterbury club had most attractive staircase going to the top floor. Alongside the staircase is the elevator shaft with a large and roomy elevator for passengers. Two of the groups of columns have seats built around them for the convenience of

two tone every finish is carried out. The ceiling is of pearl white metal and there is a drop border frieze in pink. The

vorced. Rotary brings us all closer to-A unique and novel feature developed A unique and novel feature developed by members of the firm is found in the six-room bungalow on the third floor. for the same purpose, this statement befor the same purpose, this statement be-came a reality to me and to 120 New The bungalow is awaiting a constant of the bungalow are six real cozy in the bungalow are six real cozy angeles.

In the bungalow are six real cozy rooms, 12x14 feet, each room fitted up with present day furniture and surniture of the period styles. The rooms will be fitted up with different types of furniture each week.

The principal speaker of the evening board, who spoke on S'ewardship, Rev. J. Romeyn Danforth, introduced by President Sullivan, as sky pilot of the New London right, and as fine a man as any Rotary club could need by Prophets Going Nemboo Prophets Going To Workester Field DAY

will be fitted up with different types of furniture each week.

Space is also devoted to bedroom furniture, bedding of all kinds, floor coverlings, wall papers, ranges and kitchen ware, trunks and traveling luggage carriers. Over the bungalow is a gallery measuring 40x20 feet which is devoted to the toy department.

There is also on the third floor a huge revolving rack which displays some 200 types of rugs. Special care was given in the aervice, but because we are actypes of rugs. Special care was given to the laying out of the display in the floor covering department in order to make it the most complete and the finest.

We sometimes condemn the seemi

to constantly put before the public our efforts to serve. Norwich and Connecticut may well be proud of the newspapers published in this city.

We have made every effort to make this building one that will be a pride to Norwich and Connecticut. It has cost us a great deal of money to do this.

We consider this store of money to do this.

The finish on the third floor is of erg who landed on the cold bleak shores from the little beginning at Plymouth Rock. Street.
